SoyFACE orientation and safety session

Risk Areas
Outdoor exposure: heat, sun, wind, rain, lightning, humidity, insects, allergens
Vehicle: collisions, fire
O3 inhalation
Compressed gases: explosion, fire, inhalation
Tools: cutting, crushing, laceration
Electricity: electrocution, fire

Working safely
Wear the right personal protective equipment (PPE) for the job. PPE is located in the trailer.
Know the risk areas and be mindful of the risks of the present task.
Communicate with your supervisor.

Emergency procedures
In case of fire or medical emergency, call 911.
Our location is 1114 County road 1200 E, Savoy, IL (near the corner of 1st St and Airport Rd)
Fire extinguishers are in the trailer, the Quonset, and some vehicles.
First aid kit is in the trailer.
Document with your supervisor all incidents requiring medical attention.
